We’re 80 Years Young

We started from St. Mary’s, now we’re here.

On March 27, 1940 we were organized as St. Mary’s Windsor Locks Parish Federal Credit Union serving the parishioners of St. Mary’s Church in Windsor Locks. We were founded to provide a safe place for people to save and borrow money at affordable rates for prudent purposes. While times have changed, we still hold true to our principle values each and every day.

Expanding our service area. Keeping our personal touch.

In 1987 the Credit Union changed its name to Windsor Locks Federal Credit Union and expanded offering services to more than 100 groups. Today we serve you—and all who live, work, worship, or go to school in Hartford County.

Added service and convenience.

Over the years we have relentlessly worked in our member-owners’ best interests. We offer enhanced technology, low loan rates, and convenience services that has unlocked limitless potential for you and the Credit Union.

A lot has happened and there is so much more to come!

Thank you to all our members past, present, and future.
